

CHAIRMAN'S LETTER

To;

Dear stakeholders of
Arihant Superstructures Ltd.

It gives me immense pleasure to share the journey of Arihant Superstructures Limited since April 1, 2009. ASL was 25 Lacs net worth company at that time. The Real Estate business was injected in the 3rd quarter of F.Y.2009-2010 and the first square feet of real estate business was commenced then.

With the support of all the share holders and success of the Rights Issue followed by the Preferential Allotment, I am honoured for the confidence shown in the company and in the promoters. The company reciprocated with the dividend distribution to the shareholders.

The company today has started expanding pan India with its first venture outside Mumbai at Jodhpur (Rajasthan) and has been able to gather projects worth Rupees 2938 crore to a tune of 10 million square feet of Residential real estate construction to be executed in the coming six years. This reflects a continuous stability and sustainability in the company as well as in the industry. The projects started are at a good speed of construction efficiently managed by the engineering section. The sales from already commenced projects are maintaining the cash in-flow comfortably. The approvals for the acquired Lands are expected shortly giving path to the execution of projects in the months to come. The projects in hand are:

Arihant Arham	Arihant Abhilasha	Arihant Aksh	Arihant Akruti
Arihant Anmol	Arihant Adita	Arihant Ayati	Arihant Akanksha

The company has Talented & Able Human Resources and looking forward to recruit in manifolds.
