Panel Discussion

Demonetization: To take a deep dive into the effects of Demonetization, we bring together one of the most competent panel on the subject. Our guest panel will attempt to answer all the questions - big and small, broad and detailed on topics as diverse as impact on consumers, businesses, the politics, Reserve Bank, and bring out the hits, misses, loopholes, the whole nine yards. We are confident that this amalgamation of Top Economists and Top Money managers will bring out the best understanding on this very critical subject.

Date: 2 December 2016 | Venue: Sofitel BKC | Time 09.30 – 11am

Mr. Ajay Shah is currently a professor at NIPFP. He has held positions at the CMIE, IGIDR, and the Ministry of Finance. His research interests include policy issues on Indian economic growth, open economy macroeconomics, public finance, financial economics and pensions. In past decade, he was extensively involved in the policy process in the reforms of the equity market and New Pension System. He studied at IIT, Bombay and USC, Los Angeles.

Mr. Joshua Felman is the head of IMF India (since 2006), one of the best macro expert on Indian economy. He has held positions at IMF Washington (in charge of the Fund's operations in Korea and research on Asian issues), IMF Indonesia (During the Asian crisis, he worked closely with the country's authorities in restoring its banking sector), and IMF Philippines (working to overcome the lingering effects of the crisis). Mr. Felman did his graduate work at Oxford University in England.

Mr. Mahesh Vyas serves as the Chief Executive Officer and Managing Director at Centre at Monitoring Indian Economy Pvt. Ltd. Mr. Vyas began his professional career as a Research Assistant at CMIE in 1980. Then, he moved to International Economics to research the economics of East Asia and China between 1982 and 1985. He has worked on several sectoral studies and developed new systems at the firm. He did his Graduation in Science and Post Graduation in Economics and Statistics

Rajeswari Sengupta is the professor at IGIDR, Mumbai. She has been a visitor researcher for Federal Reserve, ADB, and IMF. Her research interests include International Finance, Open Economy Macroeconomics, Applied Econometrics, Local currency, Bond financing, Financial Markets and Regulations in India. She studied at Delhi School of Economics and PhD from University of California.
